

**SOCIETY OF AUSTRALIAN GENEALOGISTS****MICROFILMING PROJECT**

In association with

**THE ARCHIVES AUTHORITY OF NEW SOUTH WALES**

**REGISTRY OF BIRTHS, DEATHS AND MARRIAGES NEW SOUTH WALES**

**THE UNITING CHURCH IN AUSTRALIA**

**THE PRESBYTERIAN CHURCH OF AUSTRALIA IN NEW SOUTH WALES**

**INTRODUCTORY NOTES:**

With permission of the above authorities, the S.A.G. has begun microfilming certain parish registers now held by the Archives Authority of New South Wales.

These many and varies registers, from many denominations, had been bound into volumes without any apparent classification. It was decided the only feasible method of microfilming the registers was volume by volume, as permitted, according to the Archives accession numbers.

In many instances, a minister might take his register to his next parish; sometimes the minister might celebrate a marriage outside his usual parish. It has not been possible to name every place served by each minister.

The following alphabetical indexes to the ministers of various denominations, whose registers have been filmed, may be of help to researchers.

The indexes give the main areas of the ministries, with the item number and reel number.
